Product Name:

Bag Sealer (Large Starter's Kit)

MODEL: L-Sealer

Purpose:

- Choose economically. The lifetime durability of the Sealer and the compact Refill rolls with $\pm 700^*$ closures per set will make you save money and time.
- Choose what you like the most! Combine one of our L-Sealers with 28 Refill Sets ready to get your back.

28 Refill sets

Small Box of Tape + Paper (Art #1020)
• 28 rolls of tape • 28 rolls of paper.

84 Refill sets

Small Box of Tape + Paper (Art #1030)
• 84 rolls of tape • 84 rolls of paper

Specifications

- A roll of tape (PVC-free) and a roll of paper are already inside the Sealer.
- No need to be assembled, the bag sealing system is fully operative as soon as you take it out of the box.
- Rust-free. Cleaning the Sealer with water or in the dishwasher is completely safe and there is no risk of damage.
- The Sealer opens without efforts and new Refills can be loaded easily.
- The Sealer can pride its resistance to frost, heat, and humid environments.
- Clear lid, you can easily see when you need new Refills.
- With the 12 mm slot, you can easily close all kinds of bags.
